ABOUT NEW FLOW

New Flow Bath Fittings and Accessories is a name synonymous with quality, innovation, and trust in the world of bathroom fittings. Established in 1987, our journey began with a vision to deliver premium solutions for modern bathrooms — and today, we stand tall as a trusted brand in the industry.

With decades of experience, we now proudly operate our own state-of-the-art manufacturing unit in Samaypur Badli, Delhi, where each product is crafted with precision, durability, and elegance. From classic CP fittings to modern accessories, New Flow offers a complete range tailored for wholesalers, retailers, and interior professionals.

Our commitment to consistent quality, customer satisfaction, and ethical business practices has helped us build strong and lasting relationships across India.

Upgrade your spaces — choose New Flow.

CERTIFICATIONS

MANUFACTURING PROCESS

Qualified Brass Material

Using high-class brass material to ensure the health of water using from source.

Water Saving Design

Using air injection technique to make water flow be plentiful and lively, improve utilization of water.

Advanced Surface Finishing

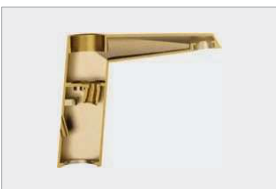

After accurate milling, and full automatic polishing, the cast surface will be with clear outline to show the product design well.

Fast Installation Structure

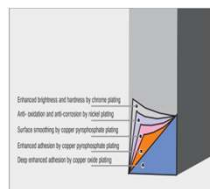

Using long barrel and large nut as installation components of faucets, make it convenient and fast to install the faucets firmly without any tools.

Low Pressure Casting

Adopting the advanced low pressure casting technology can avoid the possibility of air and impurity entrance. The casting will be with high density and fewer defects, which can ensure the durability of products.

Copper Chrome Plating

Double nanoscale plating finish with high hardness, good corrosion resistance and excellent abrasion resistance, is bright as mirror and enduring as time goes by.

Heavy Quality Valve

Superior ceramic cartridge with natural alumina ceramic chip, which attains Mohs rigidity level 9, just less than that of diamond (level 10) and with the advantage of high pressure temperature resistance, good abrasion resistance, stable chemical property, excellent anti-leakage capability and smooth switch. The life cycle of our cartridges is up to 500,000 cycles.

CNC Machining

The faucets are machined by CNC machine, with accurate and stable dimension, to ensure the stability of assembly and avoid the product leaking.

UNIQUE SELLING POINT(USP)

Welcome to the world of **NEW FLOW** bath fittings. A world where you will discover the joy of bathing in sheer luxury. A world where your dream of having world class bath CP fittings will melt into reality. Over the years, we have evolved as a company that believes in innovation, workmanship and customer satisfaction. Our quest for perfect bath fittings is eminently reflected in the reputation that we enjoy in the market.

TECHNICAL SUPPORTITY

ADVANCED CORE SHOOTER MACHINE

Core Shooter machine makes machine made cores which are clean from inside, leading to high pressure of water flow

WATER TESTED PRODUCTS

All products are tested on high pressure water flow to avoid any leakage, thereby avoiding heavy repair cost, especially Concealed fittings

COPPER CHROME FINISHING

All Faucets are done multiple level electroplating, first done nickel plating, then special copper plating to remove all dots, and final heavy chrome for mirror finish

SUPERIOR QUALITY

PURE BRASS INGOTS

Pure brass ingots comes with higher purity and copper content, leading to increased lifetime of faucet

5 YEARS'S WARRANTY

5 years warranty of both brass body parts and even disc fitting because of pure brass and heavy disc used

S MARKA DISC

Heavy quality disc used for no leakage and any kind of problems, with heavy washers and lubricants used in-disc

ADVERTISING MATERIAL

HEAVY BOX PACKAGING

Heavy 6-7 Ply box used to provide product safety to long distance spread customers

REGULAR PLUMBER MEETINGS & T-SHIRTS

All promotional activities-Plumber meetings, bags, T-shirts given time-to-time

NEW FLOW DISPLAY PANELS

Stores also given Display panels, pads and gifts at regular level
