UNIQUE SELLING POINT(USP)

Welcome to the world of **NEW FLOW** bath fittings. A world where you will discover the joy of bathing in sheer luxury. A world where your dream of having world class bath CP fittings will melt into reality. Over the years, we have evolved as a company that believes in innovation, workmanship and customer satisfaction. Our quest for perfect bath fittings is eminently reflected in the reputation that we enjoy in the market

TECHNICAL SUPPORTITY

ADVANCED CORE SHOOTER MACHINE

Core Shooter machine makes machine made cores which are clean from inside, leading to high pressure of water flow

WATER TESTED PRODUCTS

All products are tested on high pressure water flow to avoid any leakage, thereby avoiding heavy repair cost, especially Concealed fittings

COPPER CHROME FINISHING

All Faucets are done multiple level electroplating, first done nickel plating, then special copper plating to remove all dots, and final heavy chrome for mirror finish

SUPERIOR QUALITY

PURE BRASS INGOTS

Pure brass ingots comes with higher purity and copper content, leading to increased lifetime of faucet

5 YEARS'S WARRANTY

5 years warranty of both brass body parts and even disc fitting because of pure brass and heavy disc used

S MARKA DISC

Heavy quality disc used for no leakage and any kind of problems, with heavy washers and lubricants used in disc

ADVERTISING MATERIAL

HEAVY BOX PACKAGING
